November 2, 2024 – 11:20-13:00
Oriental Ballroom, Shangri-La Qiantan

President: Mr. John Mulligan
Vice-President: Mr. Philip Olden
Vice-President: Ms. Iris Van der Veken
Vice-President: Mr. Edward Johnson

Coming together – towards greater collaboration, convergence and coherence across jewellery supply chains

- The Sustainable Development Commission will host this session exploring:
- How to build on current progress and sustainability guidance across the CIBJO membership to drive greater progress and performance improvements on a range of shared goals.
- How to bring together sustainability advisors and industry leaders to share knowledge and converge on key goals
- The materials and resources currently available to the jewellery sector, and how they might be enhanced
- Reflecting on what industry good practice looks
- Opportunities and constraints – balancing ambition, credibility, and pragmatism
